2013 She-Devil Syrah 90Pts

Whole Berry Fermentation at cooler temperatures creates deep, dark fruit flavors, while a touch of co-fermented Viognier brightens the nose and darkens the color. The addition of Stone Tree Malbec and new oak adds supple spice, while the neutral barrels add weight and substance.

Deep Purple (the color, not the band) fills the glass. Aromas of violet fruit and a hint of scorched earth fill the room. Silky dark fruit with layers of savory earth, dark fruit and smoke create a woven and plush feel to the flavors. Get a good long look to enjoy with the finish of berries cocoa and tobacco.
