Showing the heart of Syrah, the 2014 Syrah The Princess Francisca's Vineyard has much of the classic characteristics of good quality Syrah, with black pepper, dark cherries, dusty plum and smoked blackberry tones. Full-bodied, the flavors ring true on the palate with blackberry essence, black peppercorn, dried herbs and a soft note of olive skin—complex and layered. This has a balanced structure, lifting acidity and supporting tannic structure, and it lingers with the focus and precision of good quality Syrah. Only 137 cases were produced for the world.
